From [www.doorcountystyle.net](http://www.doorcountystyle.net): "Annual Wild, Wild West Fest on Sturgeon Bay's West Side, Aug. 22"

"The **Annual West Fest**, on Sturgeon Bay's West Side business district, will take place on **Saturday, August 22 from 9 am to 4 pm**. This western themed event will be fun for young and old with most of the action on Madison Avenue between Maple and Oak Streets.

"Activities include a craft show, chili cook-off, Mohican Nation Pow Wow dancers and drummers, a Gold Rush Giveaway with cash prizes, and more! John Wayne look-a-likes are invited to join the Cowboy Costume contest - prizes will be awarded for the best dressed cow-pokes! Sample a variety of great things to eat and enjoy entertainment from local favorites including the John Welch band, the Bittorf Brothers and the Ryde filling the streets with a good mix of wild west country music.

"The Door County Maritime Museum will add a little nautical flavor to the day with their **Tug Fest** featuring tours of the *John Purves* Tug, children's model tug building, an inflatable jump house, and mini-tug races for kids of all ages.

"So, dust off your cowboy hats, don your best western duds and check out West Fest, Saturday, August 22, on Sturgeon Bay's West Side... sponsored by the Sturgeon Bay Visitor Center and the Greater West Side Businesses.

"Additional information about this and other Sturgeon Bay events can be obtained by calling **920.742.6246** or visiting [www.SturgeonBay.net](http://www.SturgeonBay.net)."
